TRINITY NEWS

Circuit News: Details about current activities are displayed on the noticeboard in the Lower Hall and include information about the Acts of Kindness initiative.

Acts of Kindness: These are featured in the "In Touch" newsletter. We suggested Toilet Twinning as a contribution from Trinity, as reported in last month's News Sheet. If you have not already discussed this, please let Hilary or Jane know if you are in favour of supporting this, which will enable families to build their own basic toilet, access clean water and learn about hygiene. We will receive a certificate showing the location of our overseas toilet twin from a donation for each one of £60.

Any suggestions for further Acts of Kindness would be welcomed.

Phakamisa

Director, Ms. Ntombizethu Kuzwayo, has sent an update of news. She comments that they have not had a good year, but their thanks go to all who support their on-going activities, whether staff member, student teacher, grandmother or wandering school child. There is a full report on our noticeboard in the Lower Hall. You will be aware that this is an initiative strongly supported by the Redfearn family over many years.
